KNOWLEDGE SHARING

Telegram Community

I run a Telegram group dedicated to thought-provoking discussions on geopolitics, philosophy, security, history, logical fallacies, and consciousness. The aim is to connect timeless wisdom with the realities of the modern world.

Content Creation & Research

I create and share content that bridges modern physics (relativity, quantum mechanics) and Sanātana Dharma, exploring time, karma, and consciousness. These posts simplify complex ideas into clear, accessible, and thought-provoking reflections.
